Identity Theft: Supporting Victims' Financial and Emotional Recovery

June 26-27, 2007

Tampa, FL

This interactive workshop will help victim service professionals learn how to assist victims in self-advocacy and how and when to intervene effectively in the recovery process. Topics include:

- The types and prevalence of identity theft, and the special needs of victims in each situation.
- The impact of identity theft and how providers can assist victims in dealing with the financial and emotional ramifications of the crime.
- Helping victims understand their legal rights and how an identity theft case proceeds through the criminal justice system.
- How to help victims read and understand their credit report.
- How to help victims understand and complete the new Identity Theft Complaint Form.

To register for this workshop, call OVC TTAC at 1-866-682-8822.

The Office for Victims of Crime's (OVC's) Training Schedule for Victim Service Providers provides skills-building workshops on a variety of victim services and professional development topics. OVC Professional Development Scholarships are available. Scholarships provide up to \$1,000 for individuals and up to \$5,000 for multidisciplinary teams of victim service professionals seeking continuing education opportunities. To determine whether you or your team are eligible for a scholarship, visit www.ovcttac.org/taResources/scholarships.cfm.
